OCTOBER 2009

October 2009

TO: CHSAA SUPERINTENDENTS, PRINCIPALS, ATHLETIC DIRECTORS,
ACTIVITIES DIRECTORS AND SCHOOL BOARD PRESIDENTS

RE: *CHSAA UPDATE*

FROM: WILLIAM READER, COMMISSIONER

Welcome to the CHSAA's 89th year.

You will note that this fall version of the *CHSAA Update* contains information for superintendents, principals, athletic directors, activities directors and school board presidents. It is our intent to provide an overview of the entire activities program to the five administrative positions. We are also aware that more and more people in our schools are wearing a variety of hats and are therefore interested in many areas of the activities program.

CURRENT CAPSULES

(The following reflect current updates in respective administrative areas of interscholastic athletics and activities for the Colorado High School Activities Association. Please share with your staff where applicable.)

CHSAA COMMUNICATIONS

This *Update* is a part of the total communication network between our office and you the member schools:

- | | |
|--|------------------|
| | <u>Published</u> |
| | Oct., Feb., May |
1. CHSAA UPDATE
 2. Pre-Season Bulletins (to AD's for each sport **two weeks** before start of practice)
 3. Playoff Bulletins (to AD's for each sport **three weeks** before playoffs start--selected playoff bulletins are included)

CHECK YOUR SCHEDULES

Please take some time to verify that your schedules have not exceeded the allowable regular season limits shown in the CHSAA Sport By-laws. If you do play regular season games in excess of the allowable game limits, your team(s) will be restricted from the playoffs, with no appeal as per CHSAA By-law 2330.1 and 2530.1(d).

CHSAA By-law 2330.1 and 2530.1 were submitted to the CHSAA Board of Control for revision in January 2009 and again in April 2009. Proposals for change were defeated at both Boards of Control last year. The membership remains committed to playoff restriction without appeal if member schools play more games than allowed by CHSAA by-laws.

TRANSFER RULE UPDATES

This office continues to receive waiver requests where there is no hardship indicated. These waivers are generally based on emotion and/or are from a parent who fails to understand that transfers based on choice do not meet the criteria for a Transfer Rule waiver. If a parent or student is given false hope for a waiver request, then that waiver is denied, it is counter productive for both the school and our Association. In this case, an open and honest dialogue with the parents explaining CHSAA expectations will better serve all involved. A letter from a parent explaining a waiver request generally is not going to be approved due to lack of documentation. A parent indicating that a student has had a rough life or has been harassed is a one-sided story. Documentation, such as police reports, restraining orders, social service intervention, etc., will help to make a case for a situation beyond the student's and family's control and give a better chance for a waiver to be approved. No documentation is a signal to this office that the school does not support the waiver.

TRANSFER WAIVER – FORM 9

Once again, Form 9 is the only form that can be used to file for a waiver of the CHSAA Transfer Rule. If you are requesting restricted eligibility, then only the front page of Form 9 should be completed. If you are requesting a waiver of the CHSAA Transfer Rule based on a documented hardship, complete the front and back page of Form 9. You must send all the materials associated with the waiver request to the sending school for their consideration of the facts and support/non support of the waiver request. Before a Transfer Rule waiver request can be considered, a sign-off from the sending school must be included with the waiver request. Also, if you have a student who transfers to your school without a bona fide move, you must send Form 9 to the sending school so that they can indicate participation during the last 12 months and the sign at the bottom of the front page. Do not trust that a student is giving you accurate or complete information about past participation. Always get a sign-off from the previous high school.

TRANSFER ISSUES

BONA FIDE FAMILY MOVE

A student who transfers due to a bona fide family move will always have full transfer eligibility (see By-law 1800.44). When it is determined by a school that a bona fide family move has occurred, fill out the Transfer Waiver Form #9 to item #1 on the front page and place in your files. **As noted on the form, if item #1 or #2 is checked, this form need not be sent to the CHSAA.** (Note: The Transfer Contact Form #7 must be signed and sent to the CHSAA with semester eligibility lists as indicated on the form.)

Further, a student will have full choice if he/she makes a bona fide family move to a new school district.

BONA FIDE FAMILY move according to By-law 1800.44, page 64:

The entire family permanently vacating the previous residence and making a permanent move to a new residence would be a bona fide family move. This would be a permanent change of domicile by the person/people with whom the student is living to a new school attendance area, with attendance at that school.

Examples of bona fide family moves:

- The student moving with her mother (single parent) to a new primary residence in a different school attendance area.
- The entire family making a permanent move from California to Colorado, for example.
- The student moving with one parent at the time of a divorce.

These examples are not bona fide moves:

- Any subsequent transfer in a broken home* from one parent to another after the first transfer while in high school.
- Move from parent's home to grandparent's home.
- Move from parent's home to a friend's home.
- A change of custody or guardianship from parents to a friend, or another family member.
- A court order requiring a change of domicile and school of attendance by the student.
- The parents maintaining two separate residences, with the student moving with one parent to the other house.
- A student transferring schools at the time of a parental separation.

TRANSFER WAIVER FORMS

There continues to be confusion concerning the form needed for transfer waiver requests. If you are seeking sub varsity – restricted eligibility as a result of a mid year transfer, complete the front side of Form #9 only. If you are requesting a waiver of the transfer rule based on a hardship, then complete the front and back side of Form #9, take to your league for a recommendation vote and then forward to the CHSAA office. If you are asking for a waiver of the transfer rule based on a hardship, include Form #7 with the Form #9. Do not submit form #10 for a waiver of the transfer rule based on a hardship. Form #10 should be used for waivers other than transfer waiver requests.

TRANSFER CONTACT INFORMATION

Form #7 should be completed for all students who transfer to your school after their first entry as a 9th grader. Include Form #7 with all transfer waiver requests. Immediately send Form #7 to the CHSAA if you believe a violation may have occurred or send the remaining Form #7 for transfer students with your first and second semester certificate of eligibility lists.

TRANSFER RULE REVIEW

This fall you must go back one calendar year to determine if you have had a student athlete transfer to your building.

Check to see if and in which sports at any level they played during the past calendar year from the date of transfer.

First determine if there was a bona fide family move. Then see if they played that sport(s) during the last calendar year from the date of transfer.

If a summer transfer and no bona fide family move – they will have sub-varsity eligibility in the first 50% of the season in those sports that they played in the last calendar year from the date of transfer – **no forms submitted to CHSAA.**

If a mid year transfer and no bona fide family move – they will have sub-varsity (restricted) eligibility for the remainder of the year in those sports in which they participated during the last 12 months **and in the next school year** will have sub-varsity eligibility for the first 50% of the season in those sports played within the last 12 months – **must submit Form #9 (front page)** to CHSAA only. Participation in a scrimmage or contest means actually playing in the game or scrimmage.

STATE STATUTE (C.R.S. 22-32-116.5) REVIEW

Like it or not, there are state statutes that affect student participation in interscholastic activities and athletics. There have been ineligibilities and forfeitures result from misinterpretation of the statutes. Please be aware of how state statutes apply to your participants. This can be done by referring to the *CHSAA State Statute Handbook* included in your school box or by calling the CHSAA office for interpretations.

Some basics:

1. Sports not offered at your school – If the school at which a student attends does not offer a program, then that student must first go to another school in their school district of residence or school district of attendance. If there is no other school in your district of residence or attendance that has the specific program, then the student may participate at a school in a contiguous district or the next closest school with facilities for that sport. In this situation, a school district has the right to assign the student to a school in their district for participation in that sport.
2. Home schooled students – Home schoolers can compete at a school in the district in which they are registered as a home schooled student. Again, the school district has the right to assign the student to a specific school for participation.
3. Eligibility – All students who participate at a school other than the school at which they are enrolled and attend, must meet the eligibility requirements of the school at which they participate.
4. Home school vs. on-line school students – A student is either a home schooled student or enrolled in a school. They can't be both! A home school student can receive instruction from an on-line source or attendance in a class at a traditional school, but they must be registered in a school district as a home school student. But their transcript is kept by their parents and they graduate as a home schooler, not as a student in a designated school. A student can be enrolled in an on-line or non-traditional school where they receive a transcript and accumulate credits to graduate from that non-traditional school. These students are enrolled in a school and are not classified as "home schooled" students. Students enrolled in an on-line or non-traditional school have all the rights of any student who is enrolled in a school that does not offer specific athletic programs – see #1 above.

PARTICIPATION WITH NON-MEMBER SCHOOLS

CHSAA by-laws allow for participation against schools that are not members of the Colorado High School Activities Association. This competition against non-member schools is allowed under the following circumstances:

- The non-member school follows CHSAA eligibility rules, i.e. full-time students, age, eight consecutive semesters, no competition against 7th or 8th grad students or graduates, etc.
- The competition is against school teams, not club teams or teams composed of home school students only.
- The competition is a regularly scheduled game during the designated sports season.

The same rules apply for out-of-state competition. If an out-of-state team is a member of their state association, then competition is generally always allowable. If the out-of-state team is not a member of that state's association, the above requirements apply.

If you have questions about the nature or type of team you are playing, please call this office for clarification. We have had a few teams that have represented themselves as a school, but are not. Again, it is a prerequisite that you have competition against school teams only.

COURTESY CARDS

The CHSAA has made a conscientious effort to minimize the number of courtesy cards distributed, although the number of courtesy cards purchased by schools has increased.

In your school boxes, on cardstock, was information for the proper use of these courtesy cards. Please take some time to review this information and pass on to your ticket people. The CHSAA will ask for identification before admitting the pass holder. If the pass holder does not have proper identification, there will be no free admittance. Further, only one guest can be admitted with the named pass holder.

The courtesy cards can be a great public relations tool and a convenience for the appropriate people to whom they are given. Please do your part to see that these cards are used appropriately and correctly.

COURTESY CARDS AVAILABLE FOR SCHOOL PERSONNEL, BOARD MEMBERS

Schools may purchase additional Courtesy Cards for staff and school board members who are involved in school activities. These personalized cards are available from the Association for \$50 per card and must be purchased by the school. The non-transferable card admits the bearer and one guest to all local, district, regional and state level events. The superintendent, principal, athletic director and activities director receive complimentary cards.

The Board of Control adopted a limitation of 14 additional Courtesy Cards, which can be purchased by a school. Cards can only be ordered by schools or school districts (individuals may not order and no personal checks). Please submit Form #30– Attention: Donna Welch.

Complimentary Courtesy Cards for staff members involved in the **same specific activity in your school** for at least **20 years** were sent after all the 2008-09 directory information had been gathered.

FAMILY RELIEF FOR ATTENDANCE AT STATE EVENTS

In the current entertainment market, CHSAA state tournament tickets are one of the great bargains. Nevertheless, families sometimes have difficulty affording tickets to see their children participate. If you have such a situation and need some relief, contact CHSAA Commissioner Bill Reader.

FOREIGN EXCHANGE STUDENT PROCESS

Waivers must be filed for all foreign exchange students, whether enrolling at the beginning of the school year or during the school year. Students on CSIET and other programs require league approval only with a file copy to the CHSAA office. International students who are not on programs require league and CHSAA approval.

All waivers must be approved prior to participation and **will be good for three consecutive sports seasons, beginning with the student's first varsity season**. In submitting the waiver request, the submitting school's principal must certify that the following requirements have been met:

- a. Has not enrolled in a Colorado high school in order to participate in any scholastic athletic program.
- b. Has not been recruited to play interscholastic athletics in violation of Article 1900.2 by any high school or college representative.
- c. Is not a graduate in his/her own country, nor has attended the time equivalent of an American K-12 program.
- d. Has not attended high school in another state.

- e. Possesses a current and valid student visa.
- f. Is in compliance with all other CHSAA eligibility rules.
- g. Has on file a completed physical examination in compliance with By-law 1790.1.
- h. Has not participated at your school or any other Colorado School or U.S. School.

CLOC MEETS

The Classification and League Organizing Committee (CLOC) will meet on Tuesday, November 17, 2009 at 8:00 a.m. at the CHSAA office. Major agenda items will include finalizing the reclassification processes, considering league change requests, play down proposals, placing new schools and schools whose enrollment is affected by new schools in classifications and approving new school memberships. **If you have agenda items or proposals to be presented at this meeting, it is to your advantage to submit your ideas to the CHSAA office as soon as possible. This will allow time to hear reactions and refine these proposals.**

Tom Arensdorf, Superintendent of the Flagler School District and former CHSAA President, will chair the meeting. If you have agenda items or proposals for classifications, these must be submitted by 4:00 p.m. on November 9, 2009. No agenda additions will be made on the day of the CLOC meeting. Contact Tom Arensdorf or Commissioner Bill Reader if you have agenda items, proposals or comments.

Members of the CLOC are: **Chairman Tom Arensdorf** (Superintendent, Flagler), **Richard Affleck** (A.D., Prairie View), **Rob Berry** (District A.D., St. Vrain School District), **Ron Booth** (Principal, Arapahoe), **Jody Diers** (Principal, Grand Junction Central), **Rick Mondt** (Superintendent, Briggsdale), **Steve Morgan** (A.D., Platte Valley), **Mike Page** (Superintendent, Springfield), **Andy Parks** (A.D., Colorado Springs Christian), **Scott Schneider** (A.D., Alexander Dawson), **Steve Shelton** (A.D., Heritage) and **Scott Wiedeman** (A.D., Monte Vista).

CLOC TIMELINES FOR 2009

Enrollment count information mailed	October 15
Deadline for agenda items (includes requests for league changes).....	November 9
Enrollment count submission deadline	November 10
CLOC meeting	November 17
Board of Control to consider CLOC report.....	January 28

FOOTBALL CONFERENCE TIMELINE

- October 15 1st draft will be submitted to the membership for review and comments
- November 10..... CDE enrollment counts are due and will be gathered by our office
- November 17..... CLOC Meeting – Football play-downs will be approved/disapproved
- November 18-19 2nd draft will be submitted to the membership
- November 20..... Deadline for proposals from leagues to be considered by the Football Committee
- November 24..... Football Committee Meeting – All proposals submitted before the deadline will be considered at the meeting. The committee will make the final decision on the proposal that will be submitted to the Board of Control on January 28, 2010 as part of the Football Committee Report.

Criteria (in no particular order of rank)

1. Geography/League Alignment (when possible)
2. Competitiveness
3. Balancing the number of teams within leagues. Efforts will be made to create a balance so that leagues have opportunities to match up on bye weeks for non-league games.
4. Keep traditional leagues together when possible
5. Once leagues have been developed, qualifiers will be determined

*Throughout this process input has been and will be welcomed

NEW ATHLETIC DIRECTOR/ACTIVITY DIRECTOR ORIENTATION

The 21st annual New A.D./Activity Director Orientation was held on Tuesday, August 4, 2009. The following are new (to their current school) this year:

Darryl Abeyta (AD, Primero), **Teri Baldwin** (AD, Horizon), **Perry Beltrame** (AD, Creede), **Sharee Blunt** (AD, Northglenn), **Randy Brown** (AD, Cedaredge), **Jim Butterfield** (AD, Niwot), **Robert Caricato** (AD, Pueblo Central), **Rick Carothers** (AD, Calhan), **Antoinette Cole** (AD, Denver South), **Angela Davis-Robertson** (AD, Montbello), **Sheldon DeWitt** (AD, Vista Ridge), **Dale Dowlin** (AD, Cheyenne Mountain), **Sal Gallegos** (AD, Pueblo Centennial), **Blake Galvin** (AD, The Classical Academy), **Bruce Hankins** (AD, Dove Creek), **Mark Hedgeman** (AD, Ellicott), **Chris Hendrick** (AD, Platte Canyon), **Doug Horton** (AD, Hotchkiss), **Ken Howell** (AD, Roosevelt), **Mark Koopman** (AD, Greeley Central), **Christopher Lee** (Greeley School District), **Ryan McCay** (AD, Battle Mountain), **Troy Phillips** (AD, Rifle), **Tim Pierson** (AD, Vail Christian), **Jim Porter** (AD, Palmer Ridge), **Randy Powell** (AD, Grand Junction Central), **Philip Qualman** (Principal, Battle Mountain), **Jeff Rice** (AD, Kiowa), **Mark Skelton** (ActD, Rangely), **Nate Smith** (AD, Aurora Central), **Shane Snyder** (AD, Eaglecrest), **Krista Solomon** (AD, Community Christian), **Aaron Tuioti** (AD, Sanford), **Collin Verner** (AD, Brighton Collegiate), **Park Vogel** (AD, Cornerstone Christian Academy), **Ken Webbe** (AD, Steamboat Springs), **Richard Wildenhaus** (AD, Moffat County), **Randy Yaussi** (AD, Highland), **Ty Zabel** (AD, Hayden).

STUDENTS MAY REGAIN ELIGIBILITY ON THURSDAY, OCTOBER 15

The statewide standardized dates on which all students, entering a semester academically ineligible may regain eligibility are Thursday, **October 15, 2009** for the first semester and Friday, **March 5, 2010** for the second semester. The regain date is a one-time shot. If the student does not meet eligibility expectations on this date, he/she is ineligible for the rest of the semester. For winter sport athletes who do not participate as a fall sport athlete, the eligibility check will be at the end of the first formal grading period, as per CHSAA By-law 1720.

STUDENTS WITH GED'S NOT ELIGIBLE

Please note that the CHSAA by-laws specify that all participants must be high school undergraduates. Students who have received a GED are not eligible. If extenuating circumstances exist, a hardship waiver may be filed with the Association.

ALTERNATIVE EDUCATIONAL SYSTEMS

Please be reminded that if your school is using a non-traditional instructional/educational system, you should check with the CHSAA office to clarify eligibility requirements.

COMMUNICATE WITH COUNSELORS

Counselors should be sure that they do not advise a course of action which will result in students forfeiting their eligibility to compete in inter-school athletics and activities. Some common errors are scheduling a course for which the student has already received credit, permitting a student to schedule fewer than 2.5 Carnegie units of credit and permitting a student to drop a course causing him/her to be below the minimum requirement for eligibility.

Be sure counselors know which eligibility option your school has chosen (A or B) and the implications of that option.

Member school principals should emphasize to all guidance counselors the importance of having copies of CHSAA rules on file at all times in the guidance offices and, if questions remain, to confer with the A.D. or call the CHSAA office.

GAMES WANTED – COACHING VACANCIES

Due to the length of the lists and the need for more accurate information, the CHSAA staff will post all requests for games wanted and coaches needed for a period of 60 days. We will delete all requests 60 days after they were originally posted. If you wish to have the listing reposted or continued, contact the CHSAA office at your earliest convenience. For more information, contact Audra Peterson (apeterson@chsaa.org) at the CHSAA office.

SUPPORT FOR EACH OTHER

There are times when we have calls from athletic directors/school administrators that allege a violation committed by a fellow member school. I explain that since we are all in this together and there is a solid trust that schools have honor and integrity with the enforcement of the Association's by-laws, it is a courtesy to make a call to a fellow member school to let them know what is being said. This serves several purposes that include:

- A notice that a potential violation may occur.
- A notice that a violation has happened, but done so that the problem doesn't compound.
- A reassurance to both schools that a violation has not happened, but misinformation is being spread.
- A reaffirmation that we are all here to help each other in order to make the extra curricular experience fair and equal for all.

MOUNTAIN VIEW'S KEVIN ATEN AND EATON'S RANDY MILLER REPRESENT CASE ON EXECUTIVE COMMITTEE

Mountain View Principal **Kevin Aten** enters his third year and is joined by Eaton Superintendent **Randy Miller**, in his first year, as the representatives of the Colorado Association of School Executives on the CHSAA Executive Committee. New this year to the Executive Committee are: **Joe Shehan**, Athletic Director at Skyview, replacing Kevin Land; **Carl Lindauer**, Athletic Director at Las Animas, replacing Richard Hargrove; and **Randy Miller**, Superintendent at Eaton, replacing Don Anderson. The Executive Committee meets seven times a year with remaining meetings scheduled for October 7, November 18, January 27, February 24, April 14 and June 4.

EXECUTIVE COMMITTEE MEETING AT BANDIMERE

The Executive Committee held its October 7, 2009 meeting at Bandimere Speedway in Morrison. Bandimere, recognized by the Executive Committee as a Youth Contributor, conducts the High School Drag Days on Memorial Day and Labor Day.

PRINCIPAL/SUPERINTENDENT BOARD OF CONTROL & EXECUTIVE COMMITTEE REPRESENTATION

Three principals will serve on the CHSAA Board of Control this year based on names submitted by leagues in August: **Brad Joens** (Platte Valley), **Curt Wilson** (Centauri) and **David Judd** (Sanford).

A total of five superintendents are scheduled to serve on the CHSAA's 69 member governing body: **Rick Mondt** (Briggsdale), **Sean McDaniel** (Englewood), **Doug Pfau** (Meeker), **Tom Arensdorf** (Flagler), **Diana Sirko** (Aspen).

Kevin Aten (Mountain View) serves as a principal, **Steve Strong** and **Randy Miller** serve as a superintendents and **Dave Callan** (Douglas County School District) serves as a district athletic director on the CHSAA Executive Committee.

COLORADO REPRESENTED ON RULES COMMITTEE

The National Federation of State High School Associations, which serves state associations like Colorado throughout the country, is the largest publisher of rulebooks in the world. The CHSAA is proud to place eight Colorado representatives on those rules-making bodies. Most committees meet once a year in Indianapolis with their travel expenses reimbursed by the National Federation. Colorado representatives on National Federation committees are:

<u>Name</u>	<u>Sport/Activity</u>	<u>Term Expires</u>
Tom Robinson	Football	---
Dave Labbett	Ice Hockey	2010
Rhonda Blanford-Green	Track & Field	2012
Bethany Schott	Volleyball	2011
Paul Angelico	Sports Medicine	2010
Bryan Perry	Boys' Lacrosse	2009
Carol Degenhart	Girls' Lacrosse	2011
Bert Borgmann	Baseball	2012
Larry Zappone	Field Hockey	2012
Kathy James	Field Hockey	2012
Diane Shuck	Citizenship/Equity	2012
Don Gatewood	Track & Field	2010
Roman Gutierrez	Wrestling	2011

CHSAA DOES NOT INSURE YOUR PARTICIPANTS

This is a reminder that CHSAA does not carry major medical or catastrophic/death insurance on any of your athletes. We would encourage you to check with your district to see if your district's policy covers your athletes or if you are currently offering a policy for your parents to purchase. While we do not claim to be insurance experts, if you do have any questions, please feel free to give us a call.

FIRST WINTER SCRIMMAGE

There has been a change in the CHSAA practice and scrimmage by-laws for the winter and spring sport seasons. The first allowable date for a winter sport season interscholastic scrimmage is Tuesday, November 17. For fall and winter sports seasons, five days of practice is required before a scrimmage or contest (see CHSAA By-law 2310.3).

WINTER VACATION PRACTICE RESTRICTION

Please be reminded that the winter vacation practice restriction by-law (2310.4, page 86) was changed at the January 2009 Board of Control. Effective December 2009:

- 2310.4 WINTER VACATION PRACTICE/COMPETITION PROHIBITION – There shall be no school sponsored activity of any sort, including practices, camps, clinics, tournaments, etc. from and including December 24 through December 27 and New Year's Day. Beginning December 28, winter sports programs may have voluntary practice (excluding Sundays), but may not compete in interscholastic scrimmages or competition.
- 2310.41 No faculty member or coach may have contact with any of his/her school's athletes from December 24 through December 27 and New Year's Day. Beginning December 28, winter sports programs may have practice (excluding Sundays), but may not compete in interscholastic scrimmages or competition.

DIRECTORY ONLINE

Three copies of the 2009-2010 school directories were mailed to schools in late September. The directory is constantly being updated. It may be accessed through the CHSAA website (www.chsaa.org) by logging in the school code and selecting from a variety of options. With a single click, you can bring up information on any school. You can ask for a list of schools by activity, as well as searching for a coach by name. E-mail addresses for athletic directors are also available. In addition to school directory information, there is also the officials' directory and forms library.

HIGH SCHOOL PLAYERS IN THE NCAA

The next time a parent or a player uses the argument that one of the key responsibilities of high school programs is to provide scholarship opportunities, bring out these statistics:

	<u>MEN'S BSKT</u>	<u>FOOTBALL</u>
Number of high school players	525,000	927,000
Number of high school seniors	150,000	265,000
Number of NCAA players	12,000	47,000
Number of NCAA freshman positions	3,800	16,400
Number of NCAA seniors	2,400	8,930
Number of pro rookies in a year	64	215
% high school players who play in college	2.6%	6.2%
% college players turning professional	2.7%	2.4%

(Only 1 in 10,000 high school players will play professional basketball.)

All students and parents should be aware that there are many more scholarships available for academic success. Seeking good grades should be the first priority for all students.

PROGRAM AND T-SHIRT VENDORS

The Association has a contract with **Kukulski Brothers**, a company that provides state championship programs and merchandise in four other states besides Colorado. As part of this contract, the **Kukulski Brothers** will produce state championship game programs in most of the CHSAA's sports and will be the on-site sales agent for programs, and souvenirs. This company is also the only company that has been granted rights to sell advertising for CHSAA championship game programs. Please advise your community supporters of this.

As a school, you will be receiving requests directly from **Kukulski Brothers** for championship program information, which will **include a request for team pictures, rosters and school information** such as principal name, athletic director name, enrollment, head coach, assistant coaches, school colors, mascot, etc. It is imperative that you meet the deadlines set by **Kukulski Brothers** because of the lead-time needed to produce these championship programs. If you miss the deadlines, then your school will likely be left out of the program. Last minute material will be much more difficult to work with.

NEW ATHLETIC DIRECTORS – RED FLAGS

A simplified list of high priority tasks for the beginning of each season:

- Physical Forms/Parent Permission
- Transfer Students
- International Students
- Academic Eligibility Check
 Previous Semester
 At Time of Participation
- Schedules
- Bus Schedules
- Equipment Orders
- Coaching Contract – All coaches
- Game Personnel
- Field, Court Inspections
- Warm/Cold Weather Guideline
- Coach In-Service

MEDIA ASSISTANCE ENCOURAGED

While at times it may seem like a struggle for the media and school people to work together, both parties have the best interests of students in mind. It is clear that the prep coverage in Colorado is among the best in the country. We have more space devoted to high school athletics coverage than any urban area paper reviewed.

Periodically the CHSAA receives comments expressing the frustration of reporters who in many cases find it virtually impossible to get schedules, statistics, or comments from players and coaches. Many outstanding efforts go unnoticed because a coach refuses to disclose statistics with the excuse “we emphasize team, not individual performance.” It’s not uncommon that parents call the media complaining of the lack of coverage when coaches refuse to cooperate.

The media is the best source to highlight the efforts of your athletes, teams and school. Further, the media can be a tool to highlight upcoming events of interest to the community, to communicate schedule changes, request community help or support, etc. By building a relationship with your local prep sports writer, it can open the door for increased coverage of other school events and accomplishments.

HOW TO GET APPOINTED TO A COMMITTEE

CHSAA mails forms (Form #33) to members of the Board of Control, Executive Committee and League Presidents, asking for nominations for committees. Refer to your Handbook for a list of the committees. The committee rotation plan assures that approximately one-third of the committee members each year will be new. Those members listed with a 2010 next to their name are currently serving the final year of a three-year term (CLOC is a four-year term). Approximately one-half of the CHSAA's member schools have at least one representative on a CHSAA committee. If you are interested in serving on a committee, please contact one of the above to be nominated.

COMMITTEES - THE HEARTBEAT OF THE ASSOCIATION

CHSAA committees meet annually and present to the Board of Control a report determining the following year’s format for those specific activities. Schools and leagues with particular interest in a specific activity should submit ideas to the appropriate committee chair, through the CHSAA office. Particularly for detailed proposed changes, advance submission will help the committee understand the proposal.

The committee meeting dates and chairpersons are listed below:

2009

Sept. 14 – Sportsmanship, Kate Dresher, DSST
Sept. 21 – Music, Michelle Ewer, Creighton M.S.
Oct. 13 – Golf, Barry Spence, Salida
Oct. 20 – Coaching Ed., Dave Callan, Douglas County SD
Oct. 21 – Stuco, Michael James, Northglenn
Nov. 4 – Field Hockey, Jennifer Adams, Denver Academy
Nov. 12 – Soccer, Mike Goyden, Liberty
Nov. 16 – Gymnastics, Karen Griebel, Heritage
Nov. 17 – CLOC, Tom Arensdorf, Flagler
Nov. 19 – Track & Field, Nick DeSimone, Wheat Ridge
Nov. 19 – Softball, Shelli Miles, Widefield
Nov. 20 – Baseball, Dave Mumper, Mountain Vista
Nov. 20 – Volleyball, Bridget O'Connor, Manitou Springs
Nov. 23 – Cross Country, Dave Hogan, Harrison
Nov. 24 – Tennis, Kent Waryan, Jeffco
Nov. 24 – Football, Chris Cline, Elizabeth
Dec. 1 – Officials' Fees, Bob Marken, Buena Vista

CHECK YOUR FALL OFFICIALS' DIRECTORY

CHSAA by-laws require the use of registered officials in all varsity and JV games. The Association strongly recommends that only registered officials be used in all other contests. If you have delegated the responsibility for assigning JV officials, reiterate our rule to that assigner. Check your list of assigned officials against the fall officials' directory. You may access the latest list on our web page by going to **School Login Page**. Put in your code and click on Officials' Directory. If an emergency shortage dictates the use of non-registered officials, schools must contact CHSAA Assistant Commissioner Tom Robinson prior to the use of non-registered officials.

AMERICAN FLAGS ON UNIFORMS

American flags, not to exceed two inches by three inches, may be worn anywhere on school uniform jerseys. Size requirement is usually not applicable to hats, helmets and pants. See the attached uniform rule chart from the National Federation.

FACILITY SAFETY MANUAL

The staff has produced a facility safety manual to assist school efforts in providing a safe and wholesome environment at home athletic events. The manual was included in the school boxes and can be found on the CHSAA website.

SECRETARIES' MANUAL

The CHSAA staff has also developed a manual to assist school secretaries in the completion of CHSAA responsibilities and expectations. This manual was also included in the school boxes and will be updated and distributed annually.

ALL SPIRIT GROUPS ARE SUBJECT TO ACADEMIC ELIGIBILITY RULES

All spirit groups, whether or not on competitive squads, are subject to the same academic eligibility requirements and certification as all other athletes. The Spirit Championships will be held on December 4-5, 2009 at the Denver Coliseum. We are expecting about 220+ squads to compete in the divisions of Cheer, Pom Pon, Co-Ed, Jazz and Hip Hop. All classifications will be represented with about 30 squads competing for the first time. Hope to see you there! NOTE: Spirit is a sport under the CHSAA by-laws. We are formulating a system to look at counting spirit athletes in Title IX figures for the future.

SPORTSMANSHIP SYMPOSIUM

The CHSAA Sportsmanship Symposium was held on Monday, September 14, 2009. The numbers were slightly down, but the enthusiasm of the participants was very evident and the event's message was well received. Highlights of the event were the closing remarks by former Air Force Academy graduate, former fighter pilot, and current Superintendent of Aurora Public Schools, John Barry, who talked about leadership and his experiences as one star general; the Fountain-Fort Carson High School Leadership Team's presentation on Pursuing Victory with Honor, under the direction of Athletic Director Kelley Eichman; the Spirit of Sport Award video from the National Federation of High Schools and ending with a "so you thought you could dance" demonstration.

SPORTSMANSHIP STARS

Later on in the year you will no doubt enter a gym of a school that is participating in the Banner Attachment Program. Though all members have a CHSAA member school banner, the identifiable star underneath will signal the efforts of the school to take an extra step each of the next four years to promote the sportsmanship of cheering for their team and not against their opponent. At least while visiting their school, be respectful of and reinforce their efforts.

THE FOUNDATION FOR COLORADO HIGH SCHOOL STUDENT ACTIVITIES

Three years ago, the CHSAA Budget Committee recommended that some of the school refund be donated to The Foundation for Colorado High School Student Activities. As this committee recommendation circulated across the state, it became apparent that the FCHSSA had little recognition within our own organization. The donation was amended from the report, but we continue to look at new funding sources and establishing a giving policy for the Foundation.

The Colorado High School Activities Association Foundation was founded in 1993 as a means to help support the CHSAA in its promotion of high school activities across the state. It has languished somewhat over the past several years, earning interest and adding the occasional donation. The Foundation has made several small donations to projects through the years, but really has not established itself as a funding organization.

Currently, the Foundation shows approximately \$220,000 in assets and is invested with the same policy as that of the Colorado High School Activities Association. The Foundation Board of Directors will be meeting this fall to discuss a more formalized approach to revenue and donation programs. To donate to The Foundation for Colorado High School Student Activities, or for more information, contact Bert Borgmann in the CHSAA Office.

NEW STATE LAW GIVES HIGH SCHOOL MEDICAL PERSONNEL INCREASED IMMUNITY

The Colorado High School Activities Association was instrumental in 2007 in creating legislation that provides those medical professionals volunteering their time with your program additional immunity from civil liability when rendering emergency medical assistance during practice or games.

Senate Bill 07-043, sponsored by Senator Shawn Mitchell and Representative Nancy Todd, provides "Good Samaritan" immunity to physicians. Osteopaths, chiropractors, nurses, physical therapists, podiatrists, dentists or optometrists or persons certified as emergency medical technicians (as defined under Title 25 CRS), provided:

- Volunteers (acting without compensation);
- They are rendering care on the sideline or on-field event as a team health care provider to an individual requiring emergency medical assistance;
- They act in good faith and within the scope of their license to practice;
- They do not provide care that is contrary to the wishes of a parent or guardian;
- The care rendered is not of such a standard that constitutes gross negligence or willful or wanton conduct.

Schools will need to designate their health care providers so that they meet the parameters of this state statute. Please consult your district risk manager or attorney to clarify this statute as it pertains to your programs.

CHSAA CANCER PREVENTION PROGRAM

In conjunction with the American Cancer Society, the Colorado High School Activities Association has developed a cancer awareness program to do the Association's part with helping to prevent the malady of cancer in Colorado.

The breast cancer prevention awareness program in volleyball is designed to have the student-athlete participants have a discussion with their parents about cancer prevention in this area.

This program includes sending to all member schools a sports card for each volleyball participant with many facts about breast cancer. Public service announcements and program instructions will encourage students and parents to have a discussion about prevention efforts.

Please look for the CHSAA cancer prevention awareness mailing that was sent to member schools around the middle of October. Further information about these programs can be received from Bethany Schott or Bill Reader at the CHSAA office.

RATE YOUR CONTEST OFFICIAL

Coaches and Athletic Administrators have the opportunity and responsibility to help keep officials accountable. However, you must be consistent in your efforts to do so. Go online to: [chsaa.org>coaches>coaches home](http://chsaa.org/coaches/coaches%20home)>RATE YOUR CONTEST OFFICIAL. Prior to each contest, regardless of the level, one of the officials should provide each head coach with a business card-like list of the names of the officials on the game on one side and the officials association's sportsmanship policy on the other side.

HANDLING CONTESTS DURING HAZARDOUS WEATHER EVENTS

The host school principal or designated representative and the head official have mutual authority to delay the start of a game any time weather conditions are considered hazardous to life or limb. Likewise, the head official, once a game has started, has the authority, by rule, to suspend a game any time weather conditions are considered to be hazardous to life or limb. If severe weather develops while a game is in progress where the administration feels safety is questionable and the game officials have not acted, the host principal or his/her designated representative will intervene by informing the head official who shall cause the contest to be suspended.

The first step in the suspension is to remove the participants to a location providing shelter and safety until the weather conditions improve to a point where it is safe to resume play. The spectators will be informed of the procedures to be followed and will be instructed to move to protected areas. Fans should not be permitted to remain in the bleachers.

The length of the delay shall be determined by the weather conditions, and the game may be resumed at any time the principals of both schools or their designated representatives and the head official agree it is safe to do so. However, if after a delay of a maximum of 30 minutes the hazardous weather has not subsided, the decision to postpone shall be made by the principals of both schools or their designated representatives after consultation with the head official. If there are extenuating circumstances such as extreme travel distances, rescheduling problems, etc., which make it desirable to try to complete the game and the principals of both schools or their designated representatives choose to ask for an additional 30 minutes of waiting time, the head official may grant that request. If the principals of both schools or their designated representatives and the head official cannot mutually agree that the weather conditions are safe, the game shall be postponed. The game may either be considered a completed game at that point or rescheduled at a later time according to game rules. (All regular season senior high school football contests that are postponed shall be rescheduled on the earliest possible date but no later than four calendar days following the original date, and in compliance with the football playoff scheduling regulations.)

The purpose of this procedure is to first ensure the safety of the players and spectators, but also to relieve the pressure from the officials before declaring a game suspended. The host principal should, when severe weather is pending, keep a constant check with nearby radio stations which would have information concerning the path of the storm. This constant check, available to the administration, is not available to the game officials.

School district emergency plans should include procedures for evacuating players and spectators to protected areas when severe weather occurs.

H1N1 VIRUS

The CHSAA staff has received several questions regarding contest cancellation or postponement due to an outbreak of the H1N1 virus. After consideration, we realize there cannot be a "one size fits all" reschedule policy for an outbreak of the H1N1 virus, just as there is no standard procedure when there is a winter emergency. For playoff sports and activities, for both weather and medical emergencies, the CHSAA inclement weather policy will be applied. Other than this policy, we would expect schools to use common sense and helpful consideration to another member school if an act of God type of emergency happens.

VIDEO CONFERENCING

The CHSAA has recently purchased and had installed video conferencing equipment that is I.P. based. The internet protocol is an H.323 standard. The plan is to use this equipment to increase communication with distant schools, save on travel costs and time by conducting certain meetings of shorter duration using the internet. More information will follow. The use of this equipment will increase as everyone becomes more familiar with its function.

List of Travel and Exchange programs Organizations Listed in the 2009-2010 CSIET Advisory List

-- Updated April 14, 2009 --

The following programs have been granted either a Full, Provisional, or Conditional Listing. This list is provided for your information. Note: Additional programs may have been added after the printing of this list. Please check the CSIET website with any questions you may have: <http://www.csiet.org>

This list is strictly to be used as a guideline. Foreign student waivers will be acted on by the appropriate league.

Q1: Is a student sponsored by a program, which does not meet CSIET (Council on Standards for International Educational Travel) standards eligible for competition?
A1: Yes, provided the league approves the non-listed program, or host family or individual.

PROBATIONS/RESTRICTIONS

Schools and coaches who have received penalties for violations and/or ejections will be listed in the CHSAA Update.

The purpose of the list is two-fold:

1. To remind athletic directors of the need to promptly correspond with the Commissioner concerning corrective action(s) taken and to request removal. The request for removal should accompany the school's initial response. Should there be no further incidents the removal will be automatic (usually after a period of one year).
2. To inform athletic directors of coaches, currently on probation, who may be changing schools.

Coaches involved in CHSAA rule violations are required to retake the Coaching Test and to respond in writing concerning the circumstances of the violation and the action they will take to prevent a reoccurrence. Coaches ejected from a contest will miss the next contest and are placed on probation for a period of one year. A second ejection in a season carries a two-game penalty. Coaches receiving two ejections in any five-year period must schedule a meeting with the CHSAA administrator in charge of their sport. A third ejection in a five-year period results in restriction. Please review attached lists.

Corporate Sponsorship 2008-09 Review

The Colorado High School Activities Association's mission, in pursuit of educational excellence is to strive to create a positive and equitable environment in which all qualified student participants are challenged and inspired to meet their highest potential in activities and athletic opportunities administered by our office.

In the 2008-09 school year, we engaged more than 160,000 student participants from diverse racial, cultural, and economic backgrounds for a rewarding year in activity and athletic participation. The impact is far reaching when you consider that we have 336 public/private member schools representing almost every community in Colorado. We conduct 28 state championships giving Colorado participants the opportunity to showcase in premiere facilities such as Invesco, Pepsi Center, Denver Coliseum, World Arena, Collegiate Campus, etc. Speech, student leadership and music continue to be a highlight in each of our schools. The CHSAA and our corporate partners create life-long experiences and memories for these student participants. "Thanks to You".

Corporate Appreciation

We would like to say "Thank you" to our corporate sponsors for their continued support of our mission and for touching the lives of countless participants, their schools, and their school communities. Your commitment to educational excellence for all students is invaluable to the success of our member schools and the quality programs in which they participate.

CHSAA Corporate Sponsors

Special thank you to CHSAA Corporate Partners for their continued support of activities and athletics for high school participants and their communities:

850 KOA, Advanced Orthopedic and Sports Medicine Specialists, Big O Tires, Comcast, Echelons, Farmer's Insurance, IBM, Kukulski Brothers, Sports Authority, UCA, UDA, Varsity, Wilson, Tri-Star Photography and Wallace Photography.

What's New?

Corporate Partners are prominently displayed in CHSAA Activities calendar. All superintendents, principals, district athletic/activities directors, legislative representatives, community leaders and coaches receive the calendar.
