

Colorado School Dance DJs

HIGH SCHOOL DANCE PACKAGES

Providing the very best in Disc Jockey Entertainment, high end sound & state of art lighting with true concert style stage design.

NOW YOU'RE ROCKING WITH THE BEST!!!

PURE ENERGY
AUDIO • VISUAL • LIGHTING • ENTERTAINMENT
EVENTS

IT ALL STARTS WITH AN AMAZING DJ!

Let's face it. We can brag about all the cool lights, big sound & true club style staging that gives your dance an amazing decor design, but in the end, it boils down to the DJ. There are several other companies that are trying to duplicate our systems, but NOBODY can duplicate our TALENT! We carefully select the very best DJs in Colorado. Best in true "spinning", knowledge of popular music, professionalism, reliability, flexibility, ability to engage a teen crowd & work with students and faculty to deliver an unforgettable experience!

WE ARE DEDICATED SCHOOL DANCE DJs!!

We are insured, trained & dedicated DJs for school & teen dances! We focus primarily on YOU and your school! This means that you are getting a DJ that spends their time on what makes your school dance hot! If the DJ doesn't relate to the students and doesn't work with the faculty, your dance will bomb and most likely, your students won't be interested in coming to the next dance. This means fewer ticket sales.

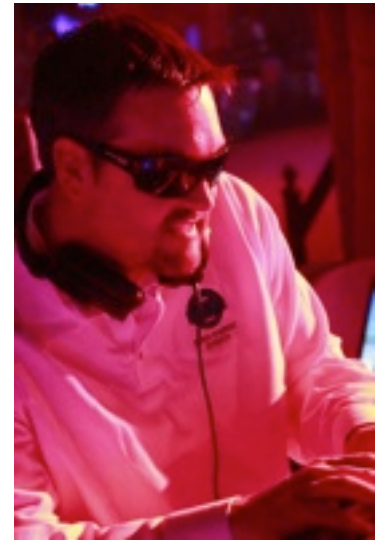

LARGER ATTENDANCE MEANS BETTER SALES!!

We understand that your goal is to raise funds. When your student body experiences an amazing dance with award winning DJs on the best sound & lighting systems in Colorado, they'll talk about it! This means increased ticket sales for your next dance. This also means you've shown value to your ticket prices and most likely, you'll be able to justify raising your ticket prices! We'll deliver the value and more!!

If you are looking to try something new, look no further! We are your best choice!
