**Example for calculation of fees:** In instances where the JV team is competing (along with their respective varsity teams) and they do not compete full teams, the number of JV competitors (from all teams) may be totaled to arrive at the appropriate number of teams for payment. For example: Team A competes six (6) Varsity and three (3) JV, and Team B competes six (6) Varsity and two (2) JV (per event). The TOTAL JV competitors are five, thereby creating only one more team for payment. The fee for this meet would be \$47.50 for a three-team meet. If the total JV competitors equal MORE than six in any event, the fees to be paid would increase to a four-team meet. **THIS PROCEDURE IS APPLICABLE FOR JV ONLY, NOT VARSITY INVITATIONALS.**

**TOURNAMENT FEES** – During regular season play, leagues and schools have the option to establish tournament fees with officials groups unless specified elsewhere in the above fee schedule. Those fees must be stated on contracts sent to officials prior to the tournament.
