*Definition of Descriptors									
On Time: umpire should arrive at least 45 minutes before Match time.									
Field Presence: Appeared in good physical condition; appeared composed; communicated well with players, coaches, and other umpires; maintained a professional demeanor									
Judgment: Showed very good knowledge of the rules and addressed the points of emphasis of proper batting helmet care, face protection for offensive and defensive players, enforced taunting during pre-game infield, and other poor sporting behavior activity.									
Consistency: Worked hard to call balls and strikes within the prescribed strike zone.									
Positioning: Worked to get the best position to call plays in the field.									
Decisiveness/Match control: Made calls in confident, firm manner. Kept players and coaches under control. Managed the game well.
