RE: 14th STATE HIGH SCHOOL FIELD HOCKEY SEASON PREVIEW AND STATE
PLAYOFF BULLETIN

Greetings from the Colorado High School Activities Association. This is the 14th year that Field Hockey will compete as a CHSAA-sanctioned sport. The guidelines and rules that follow are critical for you and your students to know and understand. The CHSAA is excited with the success of last year's Field Hockey season and looks forward to a long and rewarding association with the sport, its coaches, officials and players.

Enclosed you will find the general policies that will be in effect for the 2011 regular season games, a summary of the CHSAA and National Federation rule changes, and a state playoff schedule in effect for this year's State High School Field Hockey Championships. Please note the following CHSAA Bylaw Changes:

1. **1800.21 (Club Coach Rule):** A student transferring, moving or for any reason to a new school where the student's non-school coach is also a coach of the school team, is considered to be attending for athletic purposes. The student, as a result of this transfer, will be ineligible for varsity competition for one calendar year from the date of the transfer in any sport(s) they participated in during the twelve months prior to the transfer. As used in this Rule, the term "coach" includes any person who coaches, volunteers (regardless of compensation) or assists in any capacity with the coaching or training of the school or non-school team.
2. **1800.3 (Athletic Transfer):** Any transfer substantially motivated by athletic considerations will cause the student to be ineligible for one varsity competition for one calendar year from the date of the transfer in any sport(s) they participated in during the twelve months prior to the transfer.
3. **2310.3 (Fall Practice Days):** Each student competing in an interscholastic sports program must have had a minimum practice period of **five days in** her sport(s) (exclusive of Sundays) before representing her school in an interscholastic contest or scrimmage (football is still 9 practices).
4. **2310.5 (Sunday Contact):** A coach may have contact with his or her team on Sunday for a social, academic or service related activity that is strictly voluntary. The contact must be a voluntary, non-competitive/non-participatory activity. **CONTACT YOU'RE A.D. FOR CLARIFICATION.**
5. **2320.12 (Scrimmages):** Scrimmages may be held beginning the 10th day (including the first day of practice, but not including Sundays) after the start of formal practice in fall sports

Good luck with the upcoming season. Please call me or Michele Sobczyk, Field Hockey Administrative Assistant, with any questions about the information included in this bulletin, concerns or suggestions.

your sport
(See CHSAA Sport Bylaws).

No member school shall permit any of its field hockey teams to participate in more than 15 games exclusive of state qualifying.

A student may not participate in more than 30 halves exclusive of state qualifying games.

OFFICIALS' OFFICE

Aurora, CO 80011

Dear Coach,

We have over 4,900 officials and the only way to make them accountable to better officiating is to rate them on a consistent basis. The lead official in all sporting contests has been instructed to provide you and the opposing coach a business card with the name of all the officials working your game. Taking the card with the names of the officials and then evaluating them online is critical to making officiating better. The success of this program depends on you. Please take time to rate the officials working each of your games, including lower level games.

Go to www.chsaa.org >coaches>coaches home> Officials' Rating Evaluation Card. You must type in the name of each official and rate each on the following scale: 1-2-3 – Poor; 4-5-6 – Good; 7-8-9 – Very Good; 10-11-12 – Excellent. However, most important are your comments. It will be well worth the time you spend on this process.

If you have any problems with the website or questions, please e-mail your rating to me directly at trobinson@chsaa.org or call me at 303-344-5050.

Make the officials who work your games more accountable. Their officiating will improve.

Thank you,

Head Trauma & Concussions

The CHSAA promotes and supports a multi-disciplinary Community-Based Approach to Concussion Management (School Team, Family Team, and a Medical Team). This is outlined in the REAP Project, found online at www.chsaa.org. Please visit our CHSAA Sports Medicine page for more information and resources.

The Role of the Coach

**NEW 1620.5 BYLAW: All coaches must annually complete one of the following: The online NFHS Concussion Course or a school organized sports medicine review that includes a head trauma/concussion component, and emergency evacuation procedures.* If you suspect that an athlete has a concussion, you should remove the athlete from play, ensure the athlete is evaluated by a health care professional experienced in evaluating for concussions, inform the athlete's parents about the possible concussion, and keep the athlete out of participation the day of injury and until the athlete obtains a written release from a licensed practitioner.

The Role of the Official

The contest official can look for signs, symptoms and conditions of head trauma and if observed shall send the player to the sideline for assessment by school personnel and/or a licensed practitioner. At that time the role of the contest official ceases.

The Role of the Licensed Practitioner & Trainer

If at any time during participation, a student-athlete is removed from participation due to head trauma, the student-athlete must obtain a written release from a licensed practitioner (as defined in the CHSAA bylaws) before participating again. The athlete may then begin a gradual return to play as determined by the school's trainer (where applicable).

1. Remove athlete from play.
2. Ensure athlete is evaluated by an appropriate health care professional. Do not try to judge the seriousness of the injury yourself.
3. Inform athlete's parents or guardians about the known or possible concussion and give them the fact sheet on concussion.
4. Allow athlete to return to play only with permission from an appropriate health care professional.

INTRODUCTION

The CHSAA Constitution and Bylaws are the official rules of the Association. Information in this bulletin provides the regulations for volleyball competition, but never supersedes the regulations found in the Constitution and Bylaws.

GENERAL REMINDERS:

- Included in the school boxes is an official copy of the CHSAA Handbook Constitution and Bylaws. Handbooks are also available on line at www.chsaa.org by selecting Bylaws.
- The fall sports (except football) need 5 days of practice before competing in a scrimmage or contest.
- **Checking eligibility is not the sole responsibility of the athletic director. It is the responsibility of the coach to know the information found in the Constitution and Bylaws.** Therefore, the Bylaws should be read prior to the season.
- We encourage the telephone calls on areas of eligibility be made by the school athletic director or designated administrator; rulings on season policies can be made by the coach.
- **It should be noted that this bulletin is not a replacement, but a supplement to the Colorado High School Activities Association Handbook, the CHSAA Legislative Council Minutes and the National Federation Edition “Field Hockey Rules Book.”** Coaches are urged to review the above mentioned resources and confer with their principals/athletic directors for any required information well in advance of the start of practice to insure that there is a clear understanding of all eligibility and playing rules.
- Use this bulletin for reference during the **pre-season, season, post-season, as well as out-of-season sessions.**
- Additional questions and interpretations may be obtained from the CHSAA Office (303) 344-5050 with Bethany Schott, the administrator responsible for Field Hockey. It is highly encouraged that telephone calls on areas of eligibility be made by the school principal or designated athletic administrator, while inquiries on the sport rules are made by the Field Hockey coach.

SAFETY REMINDERS:

- It is imperative that schools and coaches carefully go over all of the field hockey rules, especially those dealing with the safety and well being of the athlete.
- Failure to warn athletes of potential dangers in proper participation or the proper way in which to care for equipment, could lead to serious consequences for coaches and schools.
- You are required to have PARENT-PHYSICIAN PERMISSION CERTIFICATIONS on file for each athlete.

NEWS RELEASE

Protective Eyewear Mandated for Field Hockey

FOR IMMEDIATE RELEASE

Contact: Elliot Hopkins

INDIANAPOLIS, IN (June 30, 2011) — High school field hockey players will be required to wear protective eyewear, effective with the 2011-12 season.

The National Federation of State High School Associations (NFHS) Board of Directors, in its April 13 meeting in Indianapolis, voted to mandate the use of protective eyewear that meets the current American Society for Testing and Materials (ASTM) standard for field hockey.

Acting on a recommendation from the NFHS Sports Medicine Advisory Committee, the Board agreed that the potential risk of injury warranted the requirement of protective eyewear for the 64,000 student-athletes participating in high school field hockey.

“While serious eye injuries in field hockey are rare, the NFHS Board of Directors has concluded that an eyewear requirement is the right step,” said Elliot Hopkins, NFHS director of educational services and field hockey rules editor.

NFHS field hockey rules previously allowed – but did not require – the wearing of eyewear that meets the current ASTM standard. Six NFHS-member state associations had previously passed more stringent rules and already mandate the use of protective eyewear.

The revised language to mandate protective eyewear will appear in the 2011-12 NFHS Field Hockey Rules Book.

###

Effective January 1, 2011, following are the color requirements for the jersey/top (p. 11):

- a. When below the number, the plane may not be above a plane extending through the bottom of the number(s).
- e. Any point of any letter shall not be closer than one inch to any point on any number(s).
- f. Any form of decorative accent (i.e. paw, halo, crown, star, etc) in a name or abbreviation is only permitted above the number. If a tail is used in the lettering of an identifying name or abbreviation, the name or abbreviation must be located below the number.

EXERPT FROM THE 2010-2011 CHSAA LEGISLATIVE COUNCIL...

The following policies were established by the CHSAA Legislative Council for the 2011-2012 school year related to field hockey:

TIE BREAKING PROCEDURES

During Regular Season: (See page 83, E-1 in the NF Rules Book)

1. Ties in the regular season shall be broken by playing one (1) full 10-minute period
2. Teams play a 10-minute overtime period with a team of ten field players and one goal keeper (11v11).
3. The teams do not change goals at the end of the regular game.
4. The winner of the coin toss chooses whether or not to take possession of the ball.
5. The overtime is considered over when the time has expired.
6. Games may end in a tie, but only after the 10 minute period has been played.

During Playoff Games:

1. Play one (1) full 10-minute period with teams of ten field players and one goalkeeper (11v11) (See page 84, E-1 for format).
2. If the contest remains tied at the end of the 10 minute overtime period the teams will change ends and will play one (1) 10-minute Sudden Victory Period with a team of ten field players and one goalkeeper (11v11), (See page 84, E-2b & E-5 for format).
3. If the contest remains tied at the end of the 10-minute sudden victory overtime period, then the contest will move to Penalty Strokes (See page 84, E3). "Penalty strokes shall be taken alternating the attackers and goalkeepers at the same goal chosen by the officials. The winner of the coin toss shall choose whether to start on offense or defense. Each coach shall present a list of five stokers to the official. The stokers must have participated in the overtime period (or have been on the field when the regulation game ended). The players must stroke in the order listed (1 through 5). If a player strokes out of order that attempt is over and no goal is allowed. The next correct number stroker takes the team's next stroke. Only the coaches and remaining team members may be on the field provided they are behind the 25-yard line. Penalty strokes shall be terminated if one team has a goal advantage that cannot be overcome by the opposing team."
 - i. If a tie still exists after the first set of penalty strokes, a second set of penalty strokes shall be taken. The team not stroking first in the first set shall start the second set of strokes. The stokers and/or order of stokers may be changed for the second set provided they participated in the overtime period. Penalty strokes shall be terminated if one team has a goal advantage that cannot be overcome by the opposing team
 - ii. If no decision is reached after a second set of penalty strokes, a "sudden victory" shall be in effect. The first team awarded more goals than the opponent, after an equal number of strokes, shall be declared the winner. The team stroking first for the first set of penalty strokes shall start the "sudden victory."

For determining the eight state qualifiers and state seeding:

1. 3 points for a win, 1 point for a tie
2. Head to head between the tied team
3. Best result against next highest team taking into account number of goals against
4. Best result against lower seeded team, taking into account number of goals against
5. Total goals against for all regular season games
6. Coin toss

CHSAA FIELD HOCKEY PLAYING GUIDELINES

Following are points of emphasis field hockey coaches should review with their staffs and players in reference to CHSAA rules and regulations. This list is not all-inclusive, but highlights only key areas.

PHYSICAL EXAM/PARENT CONSENT

No student shall represent her school in interscholastic athletics (practice or contest) until there is on file with the school administration a statement signed by her parent or legal guardian and a practicing physician certifying she has passed an adequate physical examination within the past year (12 calendar months) and is physically fit to participate in high school athletics and has the consent of her parents or legal guardian to participate.

EJECTION OF PLAYER

Any player ejected from a contest by an official for any unsportsmanlike act will be removed from that contest and will be ineligible for the next contest. An ejection is when a student-athlete receives a red card. The playing of any ineligible will cause the school to forfeit the contest in which the ineligible athlete participated. There is no appeal to this rule and coaches are urged to review the rule with team members prior to the start of the season and provide a constant reminder as the season progresses. If a player is ejected or disqualified for a second time during the season she will be required to miss the next two contests. A third ejection during the same season will result in consequences determined by the Commissioner.

EJECTION OF COACH

If it becomes necessary for an official to eject a coach from a contest for any reason, the coach shall be placed on CHSAA probation in accordance with the policies established by the CHSAA Board of Directors. The coach will not be allowed to coach the next regular scheduled contest of the same level. He/she may not coach in any other contest at any level during this time.

CHSAA FIELD HOCKEY YELLOW CARD RULE

The following rule is related to the accumulation of yellow cards by a field hockey player during regular season and the playoff tournament:

- **FIELD HOCKEY/GIRLS' LACROSSE CUMULATIVE YELLOW CARDS**
 - A field hockey or girls' lacrosse player who receives a third, fourth, fifth, etc, yellow card during the regular season will not be eligible to compete in the next regular season contest of the same level following the game in which she received the third, fourth, fifth, etc. yellow card.
 - At the end of the regular season, all yellow cards accumulated to that time will be cleared.
 - Each player who accumulates a third, fourth, fifth, etc. yellow card during any portion of the playoffs (district, regional or state level competition) will be suspended from competition for the next contest of the same level following the game in which she received her third, fourth, fifth, etc. yellow card. (The player may complete the game in which she received the third yellow card.)

REPORTING YELLOW CARDS

- Both officials and schools bear the responsibility of contacting the CHSAA when a yellow card is given.
- The CHSAA Office will track the cards, but it is the responsibility of each coach and school to track their own cards and to implement the penalty.

- If a player who has accumulated three yellow cards (or a fifth, sixth, etc.) fails to miss the prescribed contest, that contest will be forfeited. See page 81 of the CHSAA Constitution and Bylaws Handbook.
- This bylaw was recommended by the CHSAA's Field Hockey and Lacrosse Committees in the belief that it establishes consistency in yellow card accumulation and provides a basis for improving sportsmanship.

STATEMENT CONCERNING RUNNING UP SCORE

The Colorado High School Activities Association has deemed it necessary for schools to refrain from running up scores on opponents

MAXIMUM STUDENT PARTICIPATION

A student may not participate in more than 30 halves exclusive of state qualifying games.

MAXIMUM TEAM PARTICIPATION

No member school shall permit any of its field hockey teams to participate in more than 15 games exclusive of state playoffs.

WINTER VACATION PRACTICE/COMPETITION

There shall be no school sponsored activity of any sort, including practices, camps, clinics, tournaments, etc. from and including December 24 through December 27 and New Year's Day. Beginning December 28, winter sports programs may have voluntary practice (excluding Sundays), but may not compete in interscholastic scrimmages or competition.

SUNDAY PRACTICE RULE

There shall be no contact between players and coaches on Sunday, at any time during the school year. Graduating seniors are not exempt from the Sunday contact rule. If you have questions regarding this practice prohibition, contact your school administrator or the CHSAA office.

Exception: CHSAA Bylaw 2310.5 states that "Teams playing on Monday in district, regional or in a state-culminating event will be exempt from this rule." Therefore the championship teams may practice on Sunday preceding the Monday night championships.

Sunday Contact Clarification

The CHSAA Legislative Council modified the CHSAA Sunday Contact rule to create reasonable opportunities for student participants and coaches to interact on Sundays. The modified language allows for some NON-mandatory, NON-competitive contact between player and coach.

This means that coaches and players may (this list is not inclusive):

1. Participate together in a concession stand at Broncos/Rockies games;
2. Attend birthday parties together;
3. Hold team end of season banquets on Sunday;
4. Work Habitat for Humanity (or other charitable activities) together on a Sunday;
5. Attend a college or professional game as a team.

This means that coaches and players may NOT (this list is not inclusive):

1. Participate in an activity that is athletically-related to the sport of participation;
2. Hold a practice, scrimmage of any kind, individual workouts with team members, Walk through situations, "chalk talks" or any activity that may be construed a part of a practice;
3. Participate in an athletic fund raising activity together (Field Hockey Tournaments, Fun Runs, Free Throw Shooting Contests, etc.)
4. Make any of the above activities mandatory for student participants;
5. Notify students of upcoming practices or changes related to the sport and participation.

As always, coaches are encouraged to keep their athletic director informed of any activities. Athletic directors may seek additional clarification from the CHSAA staff.

The best rule of thumb is: Ask your athletic director before planning any activity on Sunday.

SCRIMMAGE RULE

The scrimmage rule reads:

"A scrimmage date is the meeting of any number of individuals or teams from two or more high schools on a single date for participation ..."

Teams are permitted two scrimmage dates. Teams still involved in post-season competition shall be permitted one additional scrimmage date to occur between the end of the regular season and the state championship final. If you are uncertain on any aspects of the rule, make certain to contact the CHSAA Office in advance of your planned scrimmage for assistance.

FIVE DAY PRACTICE RULE

Each student competing in an interscholastic fall sports program (except football) must have had a minimum practice period of five days in her sport(s) (exclusive of Sundays) before representing his/her school in an interscholastic contest or scrimmage. Please see CHSAA bylaw 2310.0 to know what constitutes a practice. Be sure to check your transfer students for proper days of practice before allowing them in a game or scrimmage.

RANDOM ACTS OF SPORTSMANSHIP INITIATIVE

In a recent meeting of the Sportsmanship Committee the decision was made to identify what the committee feels happens more often than most people think and that is our teams, student-athletes, coaches, student bodies, parents, and fans participate in positive acts of sportsmanship. Therefore the Committee stole from the concept of random acts of kindness to propose a project for the CHSAA called Random Acts of Sportsmanship.

At this past summer's meetings of the National Federation of High School Associations (NFHS), the inaugural presentation of the Spirit of Sport of Award was given to Evergreen High School for encouraging and selecting an autistic student to participate as a cheer athlete. It was unprecedented in that this cheer athlete was a full member at all cheer activities, including competitions. The Evergreen cheer squad did care about their scores in competition but only that they compete as a team. This was a random act of sportsmanship. Team was placed above winning.

Within our 338 schools, the committee knows that this type of positive sporting behavior happens all the time in the CHSAA. The Committee is asking that you announce this project to your student body to be on the look out for random acts of sportsmanship. The Committee/CHSAA will select from the pool of submissions and pick the top five, which will be presented at the fall Sportsmanship Symposium. Those individuals who participated in these random acts of sportsmanship will be recognized at the Symposium as well.

Great care must be exercised to see that neither team gains an advantage from announcements over the public address system. Announcers are not "play-by-play" announcers.
 - There shall be no amplified instruments at any CHSAA playoff events.

- ◆ If the weather problems do not clear within 30 minutes, the game is terminated.

30. **ACTS OF GOD & INCLEMENT WEATHER POLICY**:

The game(s) will be rescheduled as quickly as possible and will be played close to the originally scheduled date; depending on facility constraints.

31. **PRACTICE**: Practice will not be permitted at the site of the State Championship (Don Breese Stadium) starting the Saturday preceding the state tournament quarterfinals as well as during the week of the semi finals and finals unless a participating school's practice facility is also the tournament site.

C. Tie Breaking Procedure for playoff games:

 3. If the contest remains tied at the end of the 10-minute sudden victory overtime period, then the contest will move to Penalty Strokes (See page 84, E3). "Penalty strokes shall be taken alternating the attackers and goalkeepers at the same goal chosen by the officials. The winner of the coin toss shall choose whether to start on offense or defense. Each coach shall present a list of five stokers to the official. The stokers must have participated in the overtime period (or have been on the field when the regulation game ended). The players must stroke in the order listed (1 through 5). If a player strokes out of order that attempt is over and no goal is allowed. The next correct number stroker takes the team's next stroke. Only the coaches and remaining team members may be on the field provided they are behind the 25-yard line. Penalty strokes shall be terminated if one team has a goal advantage that cannot be overcome by the opposing team."

ACTS OF GOD & INCLEMENT WEATHER POLICY

The following policy statements represent the general operating procedures of the CHSAA regarding post-season competition that is threatened by inclement weather. Circumstances not covered by this policy are left to the discretion of the CHSAA office.

NOTE: Schools and individuals have the added responsibility of making alternative travel plans to contest/tournament sites based upon weather forecasts, etc. As a common factor, input and recommendations are to be sought from the Highway Patrol Division of Highways and Travel.

Team Competition

- **Dual:** The scheduled starting time and/or date of a contest/event may be adjusted upon consultation and mutual agreement of the administrators from the two affected schools as well as consultation with the CHSAA office.
- **Tournament Conferences:** In the event inclement weather prevents a team(s) from arriving on time for a scheduled contest as part of a post-season tournament, the following steps will be enacted.
 - Notify the tournament director or designee with complete details a minimum of four hours before the scheduled starting time the day the tournament is to begin and/or other affected days of the tournament.
 - If unable to arrive for the scheduled starting time, that segment of the bracket (match) will be moved to a later time slot that evening following the completion of scheduled contests.
 - In the event that the slot can't be moved to a later time is not possible, the match(es) will be rescheduled the following morning where the schedule permits at a time to be set by the tournament director.
 - In the event that the match(es) cannot be rescheduled due to a facility and/or schedule conflicts, etc. the contest shall be declared a forfeit. When a consolation bracket is available, the team unable to make the contest will enter the consolation bracket.
 - When the number of schools participating is 25% or more that are unable to be present, the tournament/conference director, in consultation with the CHSAA, shall postpone all or part of the day's contests/activities. Alternative brackets and time schedules shall be determined by the director, in consultation with the CHSAA, which may include the contest/tournament.

INTERRUPTED OR SUSPENDED GAMES

Regular Season

Games interrupted or suspended because of circumstances beyond the control of the responsible administrator (i.e., weather, darkness, earthquake, etc.) shall be resumed at the point of interruption if play is stopped prior to the completion of the first half. If play is stopped after completion of the first half, the game is considered a completed game.

Tournament and State Playoffs

Any tournament game interrupted due to events beyond the control of the responsible administrative authority shall be completed as follows:

If interrupted during the first half, the entire game shall be replayed. If the game is terminated in the second half, the game shall be restarted at the point of interruption on an alternate date.

GUIDELINES FOR WORKING RELATIONS WITH THE MEDIA

Media exposure has indeed become a major segment of interscholastic athletics over recent years, be it the print medium, radio and/or television. The most enticing aspect of this spectrum of publicity is that it's all free!

Along these lines, a few well-planned minutes at this juncture could result in dividends by way of stimulating community and regional support that may well reflect in increased gate attendance and revenue. No doubt, you're in the midst of a hectic schedule with staff meetings, duplicating play books, schedules and checking final plans, but we urge that you initiate contact now with members of the media serving your school and community.

REGULAR SEASON:

Designate someone to call scores of all varsity games to the following:

Local Radio and Television Stations

Local Newspapers

Associated Press - Denver (Call Collect) (303) 825-0123

Associated Press - Outside Denver 1-800-332-6917

Denver Post (after 6 p.m.)..... (303)954-1980

You may call the Denver Post Collect

All daily papers and broadcasters are on tight deadlines. CALL AS SOON AS POSSIBLE AFTER GAME.

MEDIA/PHOTO PASSES:

Most working media and photographers have been issued CHSAA Media and Photo Passes for the 2011-2012 season. Please honor these passes for admission to an event. The person producing the pass is expecting to cover the event. Should any problems arise with either the media or photo passes, or any abuses of passes, please contact the CHSAA. NOTE: Photographers must also have a media pass, in addition to the photo pass. The photo pass does not grant admission to the event.

Another way to help your coverage and lessen chances for problems with the media is to notify them in advance of your interview policy and photography restrictions.

SAMPLE WARNING TO STUDENTS & PARENTS

SERIOUS, CATASTROPHIC AND PERHAPS FATAL INJURY MAY RESULT FROM ATHLETIC PARTICIPATION.

By its very nature, competitive athletics may put students in situations in which **SERIOUS, CATASTROPHIC** and perhaps, **FATAL** ACCIDENTS may occur.

Many forms of athletic competition result in violent physical contact among players, the use of equipment which may result in accidents, strenuous physical exertion, and numerous other exposures to risk of injury.

Students and parents must assess the risks involved in such participation and make their choice to participate in spite of those risks. No amount of instruction, precaution, or supervision will totally eliminate all risk of injury. Just as driving an automobile involves choice of risk, athletic participation by high school students also may be inherently dangerous. The obligation of parents and students in making this choice to participate cannot be over-stated. **There have been accidents resulting in death, paraplegia, quadriplegia, and other very serious permanent physical impairment as a result of athletic competition.**

By granting permission for your student to participate in athletic competition, you, the parent or guardian, acknowledge such risk exists.

By choosing to participate, you, the student, acknowledge that such risk exists.

Students will be instructed in proper techniques to be used in athletic competition and in the proper utilization of all equipment worn or used in practice and competition. **Students must adhere to that instruction and utilization and must refrain from improper uses and techniques.**

As previously stated, no amount of instruction, precaution, and supervision will totally eliminate all risk of serious, catastrophic, or even fatal injury.

If any of the foregoing is not completely understood, please contact your school principal for further information.

Instruction: Sign both copies; retain one for your records, and return the other to your school.
